

### Education Financial Assistance for 2022-2023 School Year

The Crossville Seventh-day Adventist church family has been dedicated to providing Christian education throughout the years. Crossville members have donated time and money to help see that our children experience Jesus in the classroom. Students who attend our schools have the opportunity to experience the love of Christ in the classroom with encouragement to commit their lives to Jesus. Thank you for your commitment and generosity. To make a donation to any of our school's accounts, please be sure to mark your tithe envelope "**Inez Wrenn WS, Academy WS, or Student Evangelism.**" Or, for your convenience give online: <https://adventistgiving.org/>. Thank you for your ongoing financial support of Christian Education.

Baby dedication services are a special time for the family and church, as well. A certificate is given along with a special gift. Talk with an Elder or church Pastor if interested.

The Elder in charge will take 2-3 requests from the front during the church service. He will then come down from the pulpit and you may bring your written request and place it in the open Bible in his hands for a special prayer. Those cards will then be filtered to the Prayer chain and to Elders for special prayer. The Pastor will also pick one person/family name and request the congregation to pray for that person/family for the coming week. That person/family will have the opportunity to share during service the next week service if they choose to.

## BUGEMA UNIVERSITY Vocational School PROJECT

### THE NEED IN UGANDA CONTINUES...

Dear Crossville Church Family,

Chad and I and three others are once again gearing-up for a mission trip to Uganda, flying out on Sunday 21 May. As per my trip in January, one of our goals is to continue facilitating the Bugema University Vocational School program.

The \$17,000 sent last July for the building addition to the mechanics program has been well spent and that addition will be in operation when we arrive there in May.

The donated tools and \$1,000 for tool purchase and the set-up of the mechanics tool room effected in January is providing much needed hands on opportunities for students. I hope to take the rest of the donated used tools and also purchase additional specialty tools and mechanics textbooks. The textbooks will be kept in the library.

The next area I hope to focus attention on is the recently initiated Culinary Arts certificate and diploma programs which are about two years in the making. The Culinary Arts program was begun Jan. 2022 in a 20' shipping container. It has since moved into a 12' X 30' add-on to another building. A whole new building to house the C.A. program is about one-half completed. When completed it will provide a large equipped teaching kitchen, a restaurant area to serve the public (the school is on a main thoroughfare) and generate funds for the program. Thus I am seeking assistance in raising funds for:

1. Additional mechanics specialty tools & textbooks ----- \$ 1,800.00
2. Materials to complete the Culinary Arts building ----- \$27,000.00

Thank you and may the Lord impress you as to what you might do to help see this project to completion be it your much sought after prayers and or financial assistance.

In Christ,  
Lowell Jenks
